## Deer Range Farms

Box 159, Stewart Valley, SK S0N 2P0  
 Travis Olson: 306-741-9275 Gordon Olson: 306-741-0103  
 Email: deer.range.farms@gmail.com

Thank you for your interest in Deer Range genetics. We have a passion for quality cattle and work at it every day. Generations of good cattle that don't follow every fad that goes by, we are confident in the soundness of our program. At the end of the day we all desire good cattle that produce well, with as few problems as possible.

Calving a little later than most, we have been marketing extra age bulls for many years. This gives our customers an opportunity to assess bulls that have grown out without being pushed and see the full potential with less guesswork. It also demands that the bulls are sound on their feet and legs. We simply can't afford to get a bull to 22 months of age and then cull for poor feet.

Once again we are holding a live video sale in the shop, so come early enough to assess the bulls outside and mark up your catalog. Live bidding with DLMS is also available so feel free to come anytime to take a herd tour prior to the sale. Contact Donnie, Brett, or myself if we can help you with your selections.

All the best in 2026,

*Travis*

Travis, Kirsten, Erika and Jesse

Gord On Gunsmoke

Jeff, Lenice, Isaiah and Taletta

*Please join us for lunch in the shop before the sale.*

**Then allow time to view the bulls outside before the video sale back in the shop.**
